

Can anything be done to stop unwarranted and unsolicited FAX material from being sent through our FAX machine (352-371-3846). The material comes from different sources with different 800 numbers to respond to and different telephone numbers if we want to be removed from the database. I've tried this several times and it doesn't stop them from coming.

800-790-0284 removal at 877-205-0886 Mortgage rates  
800-503-6740 removal at 877-203-8926 Mortgage rates  
removal at 877-405-4259 Stpcl trade alert

Thank you,  
Olivia S. Berger
